www.placio.in

Placio, a simple and easy to use digital platform, brings life for the students. Built on the belief of community-based living, it entails co-living in an environment where experience is more important than possession. The Placio platform offers fully furnished shared rooms and private room to where like-minded individuals can connect and live together and enjoy their college life to the fullest, without any unnecessary restrictions.

Placio is start up Inida recognized company. It has been Incubated by Amity Innovation Incubator. It is currently the fastest growing student housing company in the country. It is an initiatives by IIT-IIM Alimani.
