TOGETHER WE LIVE

ABOUT

Placio, a simple and easy to use digital platform, brings a new way of life for the students of Amity University in Noida. Built on the belief of community-based living, it entails co-living in an environment where experience is more important than possession. The Placio platform offers fully furnished shared rooms and private rooms to Amity students where like-minded individuals can connect and live together and enjoy their college life to the fullest, without any unnecessary restrictions

Placio is a Start Up India recognized company. It has been incubated by Amity Innovation Incubator. It is currently the fastest growing student housing company in the country. It is an initiative by IIT-IIM Alumni.
